## **Abstract**

Up to 200 words

**Key words:** up to 5 words

The text body should be written in Times New Roman with font size 12 and 2 line spacing. Margins should be 2,54 all sides, and text should be distributed evenly between the margins. When using tables, graphs or pictures use APA 7 style. For literature referencing use APA Referencing. The reference list will have to be consisted from at least 10 titles ( not exceeded 15), and at least half of them to be printed in period 2010 – 2020, preferably 2015-2020. All mentioned references in the text should be listed on the Reference List, and vice versa all publications – book, articles, or other resources listed in the Reference list will have to appear within the text.

Number of words – depending from Module to Module, for this one mentioned here is 2500 words. Please stick to what is mentioned as the maximum word number.

### **PLEASE NOTE:**
